Hi Renee,

Thanks for the reminder. The Southwest location was not Posted due to there being no HE's at the location, this was indicated in the Posting Report. 77th is on Board for the 8510 S. Olive Location as well as the other ones indicated on your list.

Sergeant Pounds; please see the list below. I believe SLO Coats will be on Olive. I wanted to make sure you had SLO's for the remaining locations in 77th.

Take Care,

Emada

Good Morning Danie,

The reason for the email is to ask for your help once again. The Department of Water and Power has a property that they purchased at 6236 S. St Andrews Pl Los Angeles. The area is congested of homeless encampments and activities. The front door of the property is being blocked by trash and 2 homeless encampment that look like small homes. Which prevents our department personal to enter the property freely.

The department is conducting construction up and down the street. DWP has experience copper, equipment, tools, and labor materials theft in the thousands of dollars. It's important to minimize the growing homeless encampment's around the area. As you can see in the picture they are very comfortable, they are building homes on the sidewalk and on the street.

I really hope that you can help, much appreciated, & thanks in advance.
